

WPA + Local Groups = Stronger Together

Being a member of a **local homeschool support group** gives you opportunities to establish local relationships, share ideas and experiences, and build a day-to-day network of support.

Being a member of **Wisconsin Parents Association (WPA)** means you're part of the state-wide, inclusive, grassroots organization dedicated to protecting the right of parents to provide an education to their children according to their own principles and beliefs.

When you join or renew your membership with WPA **and** your local homeschool support group at the same time, **everyone wins** -- \$5 of your WPA membership fee stays with your local homeschool support group!

Just fill out this **PARTNERSHIP FORM** and write one check **payable to your local homeschool support group** for
