

New for 2021: LIBRARY MEMBERSHIPS!

Many homeschooling families rely on library services to enhance their homeschools. As the only state-wide, inclusive, non-partisan, grassroots, nonprofit organization dedicated to protecting the right and freedom of parents to provide an education to their children according to their own principles and beliefs, WHPA knows how vital it is for libraries to have accurate, up-to-date information for your staff and patrons.

Membership in Wisconsin Homeschooling Parents Association is now just \$15/year for Wisconsin's Public Libraries (\$20 off the regular fee).

Benefits of library membership include:

- Member-only newsletter, several times a year, by mail and email. Libraries are welcome and encouraged to share the newsletters with their patrons as an on-site resource. (You may not offer the newsletter for check-out.)
- Members-only email alerts for important news, information, and reminders, which you may post in your library for your homeschooling patrons.
- Reminders about value-packed events including our annual Homeschooling Conference and Resource Fair, WHPA 101 sessions, and other opportunities for homeschoolers to connect.
- Your reduced rate paid membership supports WHPA's Question Answering Committee (QAC) – your chance to Ask a Homeschooler, regardless of membership status, and our comprehensive and accurate website, maintained by Wisconsin homeschoolers for Wisconsin homeschoolers.
